FOSTERING COMMUNITY TRUST

Blending traditional laws and current community bylaws with modern enforcement techniques to help your community deal with gangs, drugs and violence within your community

COMMUNITY FOCUS

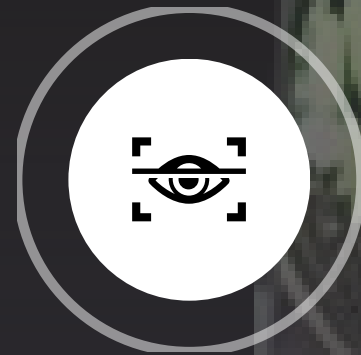

- We prepare detailed operational planning while working with Leadership to target the areas most affected by gangs, drugs and violence within your community
- Our Peacekeepers are empowered to act on behalf of Chief and Council through your BCR process

BUILDING TRUST

- We meet with Leadership, Elders regularly and interact daily with your community to develop a sense of trust and mutual respect and leverage your deep understanding of your local areas of concern

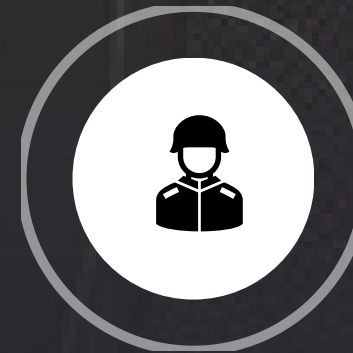

2. Intelligence Gathering

UNDERSTANDING THE THREAT LANDSCAPE

- **Open-Source Intelligence (OSINT)**
Monitor social media and online communication
- **Human Intelligence (HUMINT)**
Utilize local informants and trusted community members for information

LEVERAGING TECHNOLOGY & COVERT OBSERVATION METHODS

- Utilize cameras and drones with community consent
- Deploy trained covert observers in identified hot spots for intelligence gathering
- Analyze crime patterns through data, monitor gang movements, and identify drug trafficking routes

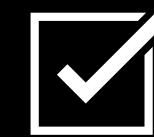

TRADITIONAL KNOWLEDGE INTEGRATION

- Collaborate with Elders to understand the impact of historical grievances, family dynamics, and local governance on crime and gang structures
- Ensure intelligence gathering methods respect privacy laws, concerns and culturally sensitive areas

COMMUNITY SAFETY IS OUR RMFC COMMITMENT

CURB GANG PRESENCE WITH COMMUNITY INTERVENTION AND BYLAW/BCR ENFORCEMENT
